FOR IMMEDIATE RELEASE

GINA for Missing Persons FOUNDation Launches

THE SQUEAKY WHEEL TOUR™ OCTOBER 17 – NOVEMBER 4, 2007

A GLOBAL COMMUNITY EFFORT TO GAIN ATTENTION FOR THE MISSING

Hundreds of artists banding together with independent artists Clementine in a global community effort for 19 days of events spanning the U.S. and other countries to reach out to hundreds of missing people in an effort to bring ONE home

Los Angeles, CA (August 06, 2007): GINA for Missing Persons, the internationally acclaimed concert series to raise awareness for those who go missing every year, announces that the band **Clementine** (www.clementineband.com) will headline 19 shows during the **2007 Squeaky Wheel™ Tour, October 17- November 4**. This worldwide tour will feature several hundred missing people profiled by hundreds of artists performing in hundreds of events throughout the US and several other countries. This global community effort is supported by the families of the missing and nonprofits: Tommy Foundation, OR; In Hope, IN; The Cue Center, NC; The Maryland Taskforce for the Missing and Unidentified; Tennessee Alliance for the Missing; YES, WI; Project Jason, NE; Team Hope, and more...

Clementine is on a mission to gain as much attention as possible for the missing. Every event possible will be web cast on the **GINA for Missing Persons** web site, www.411GINA.org. The band's adventures on tour will be filmed for a proposed 22-week long Reality TV Series, **Finding Gina**. Families of the missing and their stories will be featured, and other artists on the tour will accompany **Clementine** as they headline the Squeaky Wheel tour and show their work with the families of the missing.

Jannel Rap (**Clementine** member and founder of the Squeaky Wheel Tour) has intimate knowledge of the missing. Her sister, musician **Gina Bos**, disappeared on October 17, 2001. Jannel's heartache over the unknown status of her sister became a fight to gain attention for all missing and an avenue to bring hope to their families. Hundreds of thousands of families face the same dilemma that Jannel encountered when Gina went missing - when their loved ones simply vanish and there is no lurid or dramatic cause, they garner no media attention. Rap felt that she had to do something to change that, and she brought the concept of the Squeaky Wheel Tour to life. SWT is an annual event, held every year on these dates. This year Jannel's new band, **Clementine** (conceived during SWT 2006) will be on the road during the entire Squeaky Wheel Tour.

Entertainers/Events participating in SWT earmark their events to profile a missing person or persons in their community. They profile that missing person during their show and ask attendees to take a flyer to post throughout their community. A daily updated list of the events, locations, dates and most importantly the missing to be profiled, may be FOUND at www.411Gina.org/squeakywheeltour.htm .
